

PharmLabs Certificate of Analysis (COA)

Sample Name **Blue Razz - KKE300MARB - Exp: 03/01/2028**

|                                                                                  |                       |                       |
|----------------------------------------------------------------------------------|-----------------------|-----------------------|
| Sample ID SD260728-026 (143538)                                                  | Matrix Edible         | Lot ID MTB7001        |
| Tested for KAMA Distribution LLC   5900 Balcones Dr Suite 25245 Austin, TX 78721 |                       |                       |
| Received Jul 28, 2026                                                            | Reported Oct 01, 2026 |                       |
| Analyses executed KTM, SDR                                                       | Unit Mass (g) 4.15    | Num. of Servings 5    |
|                                                                                  |                       | Serving Size (g) 0.83 |

Laboratory note: COA Update: 7/28/26 - Sample unit mass received was 3.815g. Data reported is based on packaging/label claim weights. COA Update: 10/1/26 - Sample name and "Tested for" updated as per client request.

Kratom (KTM)

Analyzed Jul 28, 2026 | Instrument HPLC VWD | Method SOP-KTM  
The expanded Uncertainty of the Kratom analysis is approximately **7.81%** at the 95% Confidence Level

| Analyte                      | LOD ppm | LOQ ppm | Result % | Result mg/g | Result mg/Serving | Result mg/Unit |

PharmLabs | 6696 Mesa Ridge Rd #A, San Diego, CA 92121 | 619.356.0898 | ISO/IEC 17025:2017 Acc. 85368

PharmLabs hereby states that its Certificates of Analysis (COA) do not certify compliance with any federal, state, or local law or regulation, including but not limited to the 2018 Farm Bill. This COA is provided solely for informational purposes and is not intended for reliance by consumers or purchasers of a product. This report shall not be reproduced, except in full, without the prior written approval of PharmLabs. This report is not intended to diagnose, treat, cure, or prevent any disease. Results apply only to the specific sample(s) and batch(es) identified on this COA and do not represent any other lot, batch, or product from the client. Measurement of uncertainty is available upon request and, when legally required, has been reported on the certificate. PharmLabs makes no representation or warranty, express or implied, regarding the tested product's safety, efficacy, quality, merchantability, or fitness for a particular purpose. PharmLabs expressly disclaims any liability for damages, claims, costs, or expenses arising out of the use, misuse, or reliance upon this COA by any party. PharmLabs relies on information provided by the client regarding the identity, sampling, and chain of custody of the submitted material. PharmLabs assumes no responsibility for errors, omissions, or misrepresentations in such information. It is the sole responsibility of the client to determine and ensure the compliance of their product(s) with all applicable federal, state, and local laws and regulations. This COA may not be used in whole or in part for marketing, advertising, promotional, or labeling purposes without the prior written consent of PharmLabs. This COA is valid only as of the date of issuance and does not guarantee the stability or continued conformity of the tested product beyond that date. Any dispute arising out of or related to this COA shall be governed by the laws of the State of California, without regard to its conflict of laws principles.
